

## GENERAL INFORMATION

**Cell Phones:** Please turn off your cell phones during sessions, garden tours and meal functions.

**Punctuality:** Posted event times are actual starting times; therefore, please arrive at least five minutes early for lectures, bus departures and other events.

**Name Badges:** Please wear your name badge, your ticket of admission to events, at all times.

**Garden Critiques:** Please be respectful of gardens, both public and private. Hold your criticisms until you have left the site. You don't know who is listening!

**Restrooms:** All buses are equipped with restrooms. Restrooms are not available in most gardens, but some public gardens may have a restroom.

## APLD'S ENVIRONMENTAL RESPONSIBILITY DURING THE CONFERENCE

The following are just a few ways that APLD has taken our environment into consideration during this year's conference. Please think about the ways that you can continue being sustainable this week even though you may be away from home.

- All conference promotional and onsite materials have been printed on recycled paper.
- APLD recycles name badge holders and lanyards year after year.
- Attendees may refill their own water bottles at the water stations on each bus.
